- Degree in behavior analysis psych, or related field or RBT certification
- Experience working with children
- Desire for personal growth and development
- Interest in working as part of a team
- Positive attitude

### What is ABS?

Aspire Behavioral Solutions (ABS) provides services based on the principles of Applied Behavior Analysis (ABA) to those in and around our community. These services address the needs of families, schools, and agencies by offering a variety of behavioral services including skill acquisition programming, interventions for the reduction of challenging behavior, one-on-one parent and staff training, group presentations and workshops, crisis intervention services, feeding interventions, school and agency consultation, and social skills training.

Our clients include individuals or those that serve individuals with autism spectrum disorders, behavioral issues, developmental delays, or other special needs that are keeping them from reaching their full potential.
